

Why is good attendance important?

This policy was developed by a group of ? children.

Every Day Counts

The classroom doors open at 8.45am and the register is taken by 8.55am. You must be in the classroom for your teacher to mark you in the register as present.

What are the consequences for poor attendance?

It is ok to be ill or have an appointment which means that you cannot attend school but if you have lots of time off then you are missing out on important learning.

If you attend school for less than 94% of the time then Mrs Carpenter will be monitoring your attendance. Your grown-ups at home might receive a phone call or a letter to remind them of your attendance score. If your attendance doesn't improve then a home visit might be arranged to find out why you are not attending school regularly. It is the law that you must attend school regularly.

If you are ill or unable to attend school for a different reason then your grown-up must telephone school to let us know why you are absent. Mrs Carpenter listens to the messages and if we haven't received a message then she will phone to find out why you're not in school.

The number your grown-up should ring to tell school that you are going to be absent is 023 9237 8991.
