

Summer term 2

Getting ready for school

This half term the children in Butterflies shall be having visits over to our Reception class and garden to explore the environment and meet their new teachers. Their Key Person shall be going with them to support. We will be talking about where we go in the mornings and what we will have to do.

Graduation!!

During the last week of term, we will be holding a graduation ceremony for our children. Parents/carers will be invited to attend this special event. Keep a look out for your invite with the date and time: we look forward to seeing you and celebrating your child's amazing achievements this year!!

The role play area will be set up like a classroom. Children will act out being the role of a teacher, pupil or lunch staff.

We will be encouraging children to talk about what they might do in school, what rules might be in school and what they might need (such as a book bag, lunch, uniform).

Sports Day

We will be holding a sports day this year on Thursday 15th June 2023 from 9:30am.

As the weather is getting warmer, we will be talking with the children about safety in the sun e.g. Why do we need sun hats? What is sun cream for? Why do we need to drink plenty of water?

We will be learning about food that is healthy for us and why. We will be encouraging children to be independent in opening their own crisps, bottles and choosing the right things to eat first!

We will continue to take the children to Year R and other parts of the main school to prepare the children for their move!
