

Thursday 2nd November

English: Can you design your very own kite? What kind of design will it have that makes it look special? What kind of materials would you use to make this kite? Remember it needs to fly and be strong enough so it doesn't break in the wind. Draw a picture of your kite then label its key parts.

Maths: This week we have been learning about odd and even numbers. If you would like to remind yourselves there is a Numberblocks episode you can watch (Series 2 Odd and Even). Once you have reminded yourself, with the numbers from 0 to 20 put them into an odd and even list.

Phonics - Here is a list of all the tricky words we have learnt. Read them and then practice writing them.

Science - We have been talking about Autumn in class recently. Talk to a grown up about what signs of Autumn you have seen. Then draw a picture and label it to show what signs of Autumn there are.

Phase 2

is	I	the	as	and
has	his	her	go	no
into	she	he	of	we
me	be	to	put	push
full	pull			

Phase 3

was	you	they	my	by
all	are	sure	pure	

Phase 4

said	so	have	like	some
come	love	do	were	here
little	says	there	when	what
one	out	today
