

Year 5 Newsletter

Autumn 1

<http://www.portsdownprimary.co.uk/>

Year 5 have made a fantastic start to the year, they have settled into their new classes really well and are trying really hard to meet the new expectations of Year 5.

This year, we are really focusing on Fantastic Speaking and Listening and Fantastic Walking and Entry.

Just a reminder that your child is able to bring in a healthy snack for break time (e.g. fruit and cereal bars) to tide them over until lunchtime. Chocolate and crisps are not a healthy snack.

If you have any problems or worries please contact us:

Miss Tyler:

d.tyler@portsdown.portsmouth.sch.uk

Miss O'Brien:

h.obrien@portsdown.portsmouth.sch.uk

PE Day:

PE will be on **Thursday** afternoon so please ensure your child has a PE kit. They will be able to wear the PE kit into school on a Thursday.

They will need a plain white t-shirt , black shorts and trainers. When the weather gets cooler, the children can bring a plain black or grey tracksuit.

Diary Dates

Boys' and girls' football clubs begin week beginning 9.9.24.

Makaton and dance club will also begin in the same week.

We are excited to say that year 5 will be taking part in 'Joy of Moving' every Monday morning until the end of term starting the 16th September.

History

This half-term, we are learning all about The Anglo-Saxons and the Vikings. We will be thinking about whether the Vikings were raiders or traders. We will be finding out where they came from and where they settled in Britain. We will also be looking at some of the battles that took place.

English

This half-term, we will be reading 'The adventures of Robin Hood' and various other versions of Robin Hood. We are focusing on writing setting descriptions, action scenes and non-fiction texts. We will be learning how to use fronted adverbials, prepositions and relative clauses in our writing. We will also be reading 'Outlaw' by Michael Morpurgo in our Destination Reader sessions, this will help us focus on our reading skills.

In RE

Prayer and Worship

Concept: Commitment

Key question: What is the best way for a Hindu to show commitment to God.

Science

In Science this term, we will be exploring forces. We will be investigating air resistance and how boats move on water.

Maths

This half-term, we will be revisiting our knowledge of number and place value. The children will be learning about calculating perimeter and solving problems involving addition, subtraction, multiplication and division. They will continue to deepen their understanding of fractions

Please continue to encourage your child to learn their tables facts.

Art

This half-term, the children will be developing their drawing skills as they focus on different sketching techniques to recreate their own still life drawings inspired by the artist Cézanne.

Home Learning

At this point in the year, we will be introducing our new times table scheme to help us with our times tables facts and spelling the 3/4 and 5/6 spelling lists. You will find that children may start to bring home some learning to help with any targets that they may have.
