

Spring Term 2

People Who Help Us!

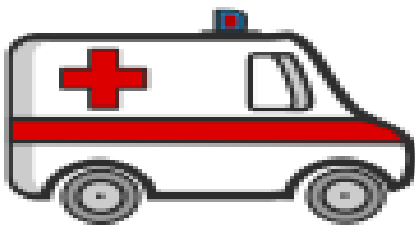

We will use books to hook the children's interest and plan activities around the stories to embed their further learning.

This term we will be learning all about the people who help us!
The children will have the exciting experience of meeting a paramedic when she comes to visit us in the nursery. She will talk to the children about how to raise the alarm in the event of an emergency and what simple information they will need to tell the call handler.

Planned visits:

- A train ride to Portsmouth Harbour
- Cosham fire and police station
- Queen Alexandra hospital

As part of our phonics scheme, we will be focusing on the letter sounds
u..r..h..b..f..l..j

The role play area will become a train station followed by a hospital to allow the children to explore their imagination and build on their first-hand experiences.

New vocabulary introduced to the children:

Thermometer
Stethoscope
Syringe
Bandage
Patient
Prescription
Medication
X-ray
Symptoms

Celebrations:

World Book Day 7th March.
Children are invited to come into nursery dressed as their favourite book character.
Rainbow day 21st March
Children are invited to dress in multi-coloured clothing.
