

Caterpillars

Summer Term 2- 2026

This half term we will continue with our theme of growing and vegetables through introducing the story of 'Supertato'. We will then be moving on to 'Mr Gumpy's motor car' where we will be looking at rolling and cause and effects of movements.

We will introduce super hero costumes to the roleplay play to support the children's imagination and independent play

We will explore printing and mark making with fruit and vegetables.

Children will use their senses to explore unfamiliar fruit and vegetables. They will be encouraged to cut, chop, smell and taste.

Transition visits will begin for the children moving on to Butterflies Pre-School in September to enable the children to build relationships with the staff and explore the different environment.

On Wednesday 15th July 2026, we will be holding a graduation ceremony for the children moving on to butterflies in September. Parents will be invited to attend to see the children accept their 'Butterfly Wings'. Keep a look out for your invitation nearer the time. We look forward to seeing you all and celebrating your child's amazing achievements throughout this year!

The Nursery Sports day will be on Wednesday 17th June at 9.30am on the school field. (Weather permitting)
Children who do not normally attend on a Wednesday are invited to join us with their Parent/Carer.
