As a Local Authority maintained school, Portsdown Primary School and Early Years follows the Council's Whistleblowing procedures provided to schools by Portsmouth HR and as shown on pages 3 onwards.

From 1st September 2025, the Department of Education (DfE) has implemented an updated [EYFS framework for group and school-based providers](#) which has new requirements for whistleblowing.

These EYFS requirements are based on good practice and are appropriate for all staff who work at Portsdown Primary School and Early Years. The new requirements are as follows:

Whistleblowing

Portsdown Primary School and Early Years has appropriate whistleblowing procedures in place for all staff (including students and volunteers) to raise concerns about poor or unsafe practice in the setting's safeguarding provision. Staff are informed about when and how to report concerns and the process that will be followed after they report concerns.

The School's whistleblowing is shared with all staff at the beginning of each academic year and when new staff join. The school's approach is to encourage staff to raise concerns about poor or unsafe practice and know that such concerns will be taken seriously by the senior leadership team.

Where a staff member feels unable to raise an issue with their employer, or feels that their genuine concerns are not being addressed, they should use the other channels open to them:

- NSPCC whistleblowing advice line is available. Staff can call 0800 0280285 – 08:00 to 20:00, Monday to Friday and 09:00 to 18:00 at weekends. The email address is: help@nspcc.org.uk. Alternatively, staff can write to: National Society for the Prevention of Cruelty to Children (NSPCC), Weston House, 42 Curtain Road, London EC2A 3NH.
- Ofsted provides guidance on how to make complaints about a provider: [Complaints procedure - Ofsted - GOV.UK \(www.gov.uk\)](#).
- General guidance on whistleblowing can be found via: [Whistleblowing for employees](#).

Concerns about children's safety and welfare

If the School has concerns about children's safety or welfare, they must immediately notify their local authority children's social care team, in line with local reporting procedures, and, in emergencies, the police. Providers must also take into account the government's statutory guidance '[Working Together to Safeguard Children](#)' and '[Prevent duty guidance for England and Wales](#)'. All schools are required to have regard to the government's statutory guidance '[Keeping Children Safe in Education](#)', and other childcare providers may also find it helpful to read this guidance.

Registered providers must inform Ofsted, or the CMA with which a provider of CoDP is registered, of any allegations of serious harm or abuse by anyone living, working, or looking after children at the premises. This must happen whether the allegations of harm or abuse are alleged to have been committed on the premises or elsewhere, for example, on a visit. Registered providers must also notify Ofsted/ their CMA of the action they have taken in response to the allegations. Ofsted/the CMA must be notified as soon as is reasonably practicable, but in any event within 14 days of the allegations being made. A registered provider who, without a reasonable excuse, fails to do this, commits an offence.

WHISTLEBLOWING REPORTING PROCEDURES - A POLICY FOR SCHOOLS

1. INTRODUCTION

- 1.1. Portsmouth City Council and the School are committed to achieving the highest possible standards of openness, probity and accountability in all of its practices. This policy has been introduced to help raise concerns about malpractice (for example fraud, a danger to health, safety or the environment or a crime) in the right way without fear.
- 1.2. Staff who believe that there is a serious problem within Portsmouth City Council or the School may feel reluctant to express their concerns because they feel that speaking up would be disloyal to their colleagues, school, or to the City Council. They may also fear discrimination, harassment or victimisation. This policy makes it clear that they have a duty and a right to disclose concerns, in confidence, without fear of subsequent discrimination, harassment, victimisation or disadvantage.
- 1.3. Portsmouth City Council and the School would prefer that any concerns about malpractice were raised when it is just a concern, rather than wait for proof. This policy has been introduced to help raise any concerns in the correct way. It explains the routes open to staff. It includes employees, temporary workers, agency staff and people working for contractors.
- 1.4. Staff may wish to consult their trade union before taking any other action.**
- 1.5. The standards expected of the City Council's employees are set out in the Code of Conduct and in departmental and local procedures and guidance relating to school specific issues.
- 1.6. It is a disciplinary matter both to victimise a bonifide whistleblower or to maliciously make a false allegation.
- 1.7. Disclosers will be protected if they meet the legal requirements, which generally require the worker to be acting in good faith.
- 1.8. The Dignity at Work policy outlines how employees can initially deal with cases of discrimination, harassment, victimisation or bullying in the workplace. The Grievance Policy is also available to employees. These documents can be obtained from the Headteacher, the School Office or the HR team.
- 1.9. This policy is also separate from the external complaints procedures for use by pupils, parents and members of the public.
- 1.10. Where there are complaint procedures in place for addressing problems with service issues, these should continue to be used by service users, other organisations and members of the public.

2. AIMS AND SCOPE

2.1. This policy aims to:

- provide information about what the whistleblowing process means for openness, confidentiality and anonymity.
- encourage staff to question and act upon concerns about malpractice and to feel confident in raising serious concerns;
- provide avenues for staff to raise those concerns;
- ensure that staff raising concerns receive feedback on any action taken, if possible;
- provide guidance to staff on how to take matters further if they are not satisfied;
- reassure staff that they will be protected from possible reprisals or victimisation if they have made the disclosure in good faith.

2.2. Possible issues include:

- conduct which is an offence or a breach of law;
- health and safety risks (to pupils and members of the public as well as to staff);
- damage to education property;
- unauthorised use of public funds and resources;
- fraud and corruption;
- abuse of clients;
- abuse or intimidation of staff or pupils;
- other unethical conduct.

This list is not exhaustive.

This policy is intended to cover major concerns that staff might have.

3. SAFEGUARDS

3.1. Your safety

- 3.1.1. It is recognised that it may be difficult to raise a concern.
The law gives certain safeguards if a concern is raised as a whistleblower and Portsmouth City Council and the School will not tolerate discrimination, harassment or victimisation of anyone who has raised a concern in good faith. If it is felt that this has happened, you must

report it and the conduct will be treated seriously. Portsmouth City Council and the School will encourage its contractors to do the same. Provided that the concern is raised honestly, a member of staff will not be at risk of losing their job or suffering any form of retribution for doing so even if they are mistaken.

- 3.1.2. If a member of staff makes an allegation in good faith but it is not confirmed by the subsequent investigation, no action will be taken against them

This assurance is not extended to anyone who maliciously raises a concern they know is untrue. Such conduct may be liable to disciplinary action.

- 3.1.3. If disciplinary action or redundancy procedures have already been started, raising a concern will not, in itself, halt them.

3.2. Your Confidence

- 3.2.1. With these assurances we hope staff will raise concerns openly in the normal way. However, it is recognised that there may be some circumstances when it would be preferable to speak to someone in confidence. If so, please state this when the concern is raised.

- 3.2.2. Keeping a confidence means that if a member of staff asks not to disclose their identity, this will not be done without consent, unless it is legally required to do so.

3.3. Anonymity

Please remember that if a member of staff raises a concern anonymously, it is much more difficult to look into the concern. It is more difficult to protect a member of staffs' position or to inform them of the outcome. The same support and assurances can not be guaranteed if a concern is reported anonymously.

3.4. Support

- 3.4.1. The School and Portsmouth City Council will take steps to minimise any difficulties which a member of staff may experience as a result of raising a concern. For instance, if they are required to give evidence in criminal or disciplinary proceedings, advice and support can be provided. The School will also consider practical issues such as travel costs and the implications of spending time away from the workplace.

- 3.4.2. Support is available at all stages of the process from the Employee Assistance Programme.

4. HOW CONCERNS CAN BE RAISED

- 4.1. Firm evidence of malpractice is not required before raising a concern. However, the concern will need to be explained as fully as possible with the information or circumstances that gave rise to the concern. The earlier the concern is raised, the easier it may be to resolve.

- 4.2. Most concerns should be resolved simply and effectively at the lowest possible level within a member of staff's school, section, team or work area. This will normally involve staff raising concerns with their immediate manager, supervisor, headteacher or trade union

representative. However, this will depend on the seriousness and sensitivity of the issues involved and who is suspected of malpractice. It should be noted that all concerns relating to financial malpractice should be raised with the Director of Children's Services and Education.

4.3. If a member of staff feels unable to raise the matter with a manager, supervisor or the headteacher for whatever reason, or they feel that the concern has not been properly addressed they are advised to contact one of the following:

- The Chair of Governors; or
- The Director of Children's Services and Education.

The flowchart in Annex 1 clarifies the process for raising concerns and contact details are provided in Section 7 below.

4.4. The concern may be raised orally, or in writing.

4.5. There is no definite time limit for raising concerns; whether an issue will be dealt with viably after a long period of time will depend on the circumstances.

4.6. Staff may wish to discuss their concerns with a colleague first and may find it easier to raise the matter if there are two (or more) people who have had the same experience or concerns. However, staff should also be prepared to give their own individual account during the investigation process.

4.7. At any stage of the procedure, the employee may be accompanied by a representative from their trade union or work colleague.

5. HOW THE SCHOOL AND PORTSMOUTH CITY COUNCIL WILL RESPOND

5.1. The School and Portsmouth City Council will always respond to concerns raised by staff and there will be an investigation by management. Further courses of action will vary, depending on the issue, but could include:

- using the school's disciplinary process;
- investigation by Internal Audit, again resulting in the use of the disciplinary process if appropriate;
- referral to the Public Sector Audit Appointments;
- referral to the police.

5.2. When deciding on which course of action is appropriate, the School and Portsmouth City Council will consider public interest as an over-riding principle.

- 5.3. Within ten working days of the concern being raised, and if it is not anonymous, the headteacher/line manager receiving the disclosure will write to the member of staff to:
- Acknowledge that the concern has been received.
 - Summarise the concern and ask to be contacted if the concern has been misunderstood or any information is missing.
 - Indicate how it is proposed that the matter will be dealt with (i.e. whether further investigations will take place, and what form these will take).
 - Indicate whether any initial enquiries have been made.
 - Give an estimate of how long it will take to provide a final response.
 - Supply information on staff support mechanisms.
- 5.4. The amount of contact between the headteacher/line manager considering the issue and the member of staff who has raised the issue will depend on the nature of the matters raised, the potential difficulties involved and the clarity of the information provided. If necessary, further information will be sought from the person making the disclosure, ensuring that confidentiality is maintained.
- 5.5. It is accepted that a member of staff may want to be assured that the matter has been properly addressed and whenever possible, feedback will be provided on the outcome of any investigation. Please note, however, information about disciplinary or other action will not be provided when it infringes a duty of confidence that is owed to third parties.
- 5.6. If the member of staff has a personal interest in the matter, it is asked that this is highlighted properly at the outset.
- 5.7. If the concern falls more properly within the Dignity at Work or Grievance Procedure the member of staff will be informed of this.

6. HOW THE MATTER CAN BE TAKEN FURTHER

- 6.1. If a member of staff raising a concern is dissatisfied with the action taken, and wishes to take the matter outside of Portsmouth City Council or the School, the following are examples of appropriate contact points:
- Protect - Speak up, stop harm (a national charity that gives free, confidential advice on whistleblowing).
 - A Trade Union.
 - The Citizen Advice Bureau.
 - Appropriate professional bodies or regulatory organisations.
 - Department for Education.
 - An Elected Member of the Council.
 - The Public Sector Audit Appointments.

- The Local Government and Social Care Ombudsman.

Contact details are provided below.

- 6.2. If the matter is taken outside of Portsmouth City Council, the member of staff should ensure that confidential or privileged information is not disclosed, such as personal details about colleagues, or restricted financial information.
- 6.3. Staff raising a concern externally should consider carefully whether this is the most appropriate course of action for resolving the issue and whether all reasonable, internal steps have been taken.
