EYFS	History in the Nursery and Year R is a key part of the 'Understanding the World' area of the EYFS Curriculum. The children in EYFS will develop an understanding of the wider world around them, including through the use of a range of stories, nursery rhymes and experiences. They will be supported to begin to make sense of their own life-story and family's history. They will also develop an understanding of the past through settings, characters and events encountered in texts.
